

## Spring arrives at Over Peover Village Hall

The Over Peover Flower arranging group was delighted when Marilyn Lloyd from Goostery agreed to come back to the village hall to run two classes. The theme was Spring

The first class was held just before Easter and it was all about producing a decorative arrangement with an Easter theme. Moss, natural foliage, flowers, plus a few chicks and easter eggs were the order of the day.

Following a quick demonstration by Marilyn, the ladies set to work. Less than two hours later they had an array of beautiful arrangements bursting with colour. A perfect start to Easter!

The second class was after Easter and the group were taught how to make a basket arrangement.

Under Marilyn's guidance they set to work being creative. The result was another great display of colourful arrangements.

The flower classes are always great fun and a wonderful opportunity to chat and catch up. As has become tradition, the second class ended with cake and fizz, cake, courtesy of WI Vice President, Anne Tomkinson - delicious!

Classes are already being planned for Christmas, so if you fancy coming along to a class and getting involved just check out: [www.overpeover.com/over-peover-womens-institute](http://www.overpeover.com/over-peover-womens-institute)
